Thank God for You

Thank God for you, good friends of mine
Seldom is friendship such as thine
How very much I wish to be
As helpful as you've been to me.
Of many prayers quests one thou art
On whom I ask God to impart,
Rich blessings from his storehouse rare
And grant to you his gracious care.
When I recall from time to time
How you've inspired this heart of mine
I find myself inclined to pray
God may guide you all the way
God bless my friends this very day.
So often at the throne of Grace
There comes a picture of your face
